

Need To Ski Program 2021-22

Thank you for your interest!

Even with Black Mountain's best efforts to be a family-affordable ski area, unfortunately, there are children in the River Valley community who cannot afford to ski. By donating to this program you can positively influence the life an underprivileged community youth by giving them the opportunity to stay active in the winter through a healthy, life-long sport.

The goal of the Need To Ski Program is to grant FREE SEASON PASSES & rentals to RSU #10 students who would not have the opportunity otherwise. Students who are selected for this program must submit an application and show a desire to learn or improve their skiing to an extent that would not be possible without this program.

Please see the two sponsorship levels below. Simply detach the form below and return it to Black Mountain at P.O. Box 296, Rumford, ME 04276. For any questions please call (207) 364-8977, or email at bmomoffice@gmail.com

Black Mountain and the River Valley youth thank you for your time, considerations, and any donations you may contribute.

Sincerely,
Black Mountain Ski Resort
