

PARK SHARK CHALLENGE SNOWBOARD and FREESKI PARK SERIES

FOR ALL SNOWBOARDERS AND TWIN TIP SKIERS

The legendary PARK SHARK snowboard and freeski park series is back and bigger than ever. The Riders Club is returning for the second year bringing together style, creativity, fun, and music to the mountains of Maine.

The Line up for the 2018 season will include Black Mountain in Rumford, Titcomb Mountain in Farmington and Kents Hill School in Readfield.

You can bet the PARK SHARK CHALLENGE will be full of progression, sick features, killer tunes, and (most importantly) tons of fun. These events are all about making snowboarding and freeskiing accessible to everyone while focusing on style, creativity and good ole FUN. We'll have winners crowned in several different divisions and it's a good way to get some exposure but rest assured these events are all about building camaraderie, riding with friends, and having a good time. We'll be giving away the sickest prizes, playing loud music, and building the raddest stuff you've ever ridden.

All registration will be day of event and will be open to all abilities and levels from beginner to expert. Come join the FUN!
